## Cocktail Menu

### House Cocktails

**APEROL SPRITZ \$19.00**

A well balanced drink of Aperol, Prosecco and soda water  
The perfect summer beverage...  
works well in spring too, plus autumn and winter.

**MARGARITA \$20.00**

A sour classic made with Reposado tequila, triple sec and lime juice.  
In a post-Covid world this may be as close as you can get to a Mexican vacation and let's be honest you'd only be going for the tequila anyway.

**MOJITO \$17.00**

A Caribbean classic made with white rum, mint and lime.  
The perfect way to chill on a warm day,  
if there's a more relaxing herb than mint I haven't tried it.

**NEGRONI \$17.00**

A bitter cocktail made with dry gin, Campari and sweet vermouth.  
If you're scared to say the name out loud just point.

**OLD FASHIONED \$20.00**

An American classic made with bourbon and bitters.  
Just like shoulder pads and parachute pants,  
some things will never go out of style.

**COSMOPOLITAN \$17.00**

A sophisticated cocktail made with vodka, triple sec and cranberry juice.  
Not just tasty but also good for UTIs (for all you Samanthas out there).

**LONG ISLAND ICED TEA \$21.00**

A lethal combo of vodka, gin, tequila, white rum, triple sec and coke.  
If you're trashy and you know it drink this drink \*sip sip\*.

## House Cocktails

### CARAMELLA \$18.90

Strong and sweet with vodka, Kahlua coffee syrup, vanilla and an egg white. Who has a sweet tooth then?

### AMORIA \$19.90

How do you describe something as wonderful as Havana rum mixed with passion fruit, orange juice, black tea and a dash of chartreuse? How do you describe the Mona Lisa?

### SUNSHINE \$18.90

A woody blast with fireball, gin, mixed with apple and lime juice and an egg white. Buckle up campers. It's about to get bumpy.

### DARK NIGHT \$18.90

No messing around here with Jack Daniels, Aperol and lychee juice. You will need the light turned on after this one.

### BLACK HOLE SUN \$19.90

A bitey sensation of Johnny Walker Black, Campari and caramel. Won't you come, and wash away the rain.

## House Cocktails

### ROSE GARDEN \$17.90

A sweet treat with gin, lychee juice, rose syrup, cranberry and lime juice. Take some time to smell the roses.

### STRAWBERRY KISS \$17.90

A ripe blend of vodka and strawberry liquor mixed with strawberry puree and milk. Happiness, I have grasped, is a destination, like strawberry fields.

### THE WICKED CURSE \$18.90

A breezy concoction of gin, Pavan, lime juice and egg white with the colours of butterfly peas. It's like hiking through a rainforest and quenching your thirst with nature itself.

### MELON DROP \$17.90

A refreshing beauty with Midori, Malibu and vodka mixed with pineapple juice, lime juice and an egg white. If there was ever a cocktail that tasted like the tropics, this would be it.

### BLUE LAGOON \$17.90

A classic, with gin, blue curacao, lychee and lime juice. Brook shields swimming. Christopher Aitkins jumping in to swim.
