## COCKTAILS

### **APEROL SPRITZ 21.50**

A well balanced drink of Aperol, Prosecco and soda water  
The perfect summer beverage...  
works well in spring too, plus autumn and winter.

### **MARGARITA 22.50**

A sour classic made with Reposado tequila, triple sec and lime juice.  
In a post-Covid world this may be as close as you can get to a Mexican vacation  
and let's be honest you'd only be going for the tequila anyway.

### **MOJITO 19.50**

A Caribbean classic made with white rum, mint and lime.  
The perfect way to chill on a warm day,  
if there's a more relaxing herb than mint I haven't tried it.

### **NEGRONI 19.50**

A bitter cocktail made with dry gin, Campari and sweet vermouth.  
If you're scared to say the name out loud just point.

### **OLD FASHIONED 22.50**

An American classic made with bourbon and bitters.  
Just like shoulder pads and parachute pants,  
some things will never go out of style.

### **COSMOPOLITAN 19.50**

A sophisticated cocktail made with vodka, triple sec and cranberry juice.  
Not just tasty but also good for UTIs (for all you Samanthas out there).

### **LONG ISLAND ICED TEA 23.50**

A lethal combo of vodka, gin, tequila, white rum, triple sec and coke.  
If you're trashy and you know it drink this drink \*sip sip\*.

# COCKTAILS

## **ROSE GARDEN 20.40**

A sweet treat with gin, lychee juice, rose syrup, cranberry and lime juice.  
Take some time to smell the roses.

## **STRAWBERRY KISS 20.40**

Vodka and strawberry liquor mixed with strawberry puree and milk.  
Happiness, I have grasped, is a destination, like strawberry fields.

## **THE WICKED CURSE 21.40**

Gin, Pavan, lime juice and an egg white with the colours of butterfly peas.  
It's like hiking through a rainforest and quenching your thirst with nature itself.

## **MELON DROP 20.40**

Midori, Malibu and vodka mixed with pineapple juice, lime juice and an egg white.  
If there was ever a cocktail that tasted like the tropics, this would be it.

## **BLUE LAGOON 20.40**

A classic, with gin, blue curacao, lychee and lime juice. Brook shields swimming.  
Christopher Aitkins jumping in to swim.

## **CARAMELLA 21.40**

Strong and sweet with vodka, Kahlua coffee syrup, vanilla and an egg white.  
Who has a sweet tooth then?

## **AMORIA 22.40**

How do you describe something as wonderful as Havana rum mixed with  
passionfruit, orange juice, black tea and a dash of chartreuse?  
How do you describe the Mona Lisa?

## **SUNSHINE 21.40**

A woody blast with fireball, gin, mixed with apple, lime juice and an egg white.  
Buckle up campers. It's about to get bumpy.

## **DARK NIGHT 21.40**

No messing around here with Jack Daniels, Aperol and lychee juice.  
You will need the light turned on after this one.

## **BLACK HOLE SUN 22.40**

A bitey sensation of Johnny Walker Black, Campari and caramel.  
Won't you come, and wash away the rain.
